

Prospect High School Usage Rules 2007

Bowl & Related Facilities

1. The Bowl is primarily for football games, soccer games, track events, limited band practice and graduation. Among the uses that are not permissible are any wheeled apparatus including skateboards, bicycles, roller skates, etc.
2. No food is allowed on the artificial turf and track areas. Certain types, including those noted below present the greatest problems and their presence may result in immediate revocation of use privileges. These include, but is not limited to the following:
 - Chewing gum
 - Sunflower seeds of any kind
 - Chewing tobacco (refer elsewhere for “Tobacco-Free” facilities throughout the district)
 - Energy bars or energy foods
 - All beverages, other than water
3. Only running shoes designed for all weather tracks are allowed on the track. Spikes shall be a maximum of ¼” in length with a 3/16” preferred. Soft spikes are permissible on the field only.
4. Access to the artificial turf shall only be at places where the track is properly protected.
5. Areas of the track where incidental contact is expected, such as for corner kicks in soccer, shall be protected with carpet or other suitable means.
6. Players shall not be allowed to run across the track in cleats. Artificial turf must be placed over the track where players access the fields. Only cleats intended for use on artificial turf shall be permitted on the fields.
7. No alterations or improvements shall be made to any aspect of the Bowl.
8. No running up and down the bleachers.
9. No running up and down the dirt slopes.
10. No “pickup games” allowed.
11. No unauthorized vehicles allowed in the bowl. This includes the track, fields and any other areas within the gates of the bowl.
12. No unauthorized application of any rubberized infill, cleaning products, drying agents, stain removers, sand, or any other material.

13. Any cutting or marking of lines shall be done by District authorized personnel only, no exceptions.
14. Users are encouraged to monitor field condition and report immediately any concerns.
15. Any painting allowed on fields shall be done by District authorized personnel only.

Parking Lots and Walkways

1. No parking on Sidewalks, corridors or in courtyards at anytime.
2. No marking surfaces with paint or similar materials.
3. Parking in designated spaces only.
4. No blocking of gates or service roads.
5. No barbecuing.
6. No alterations or improvements shall be made to any aspect of the parking lots and walkways.
7. Fire lanes must never be blocked.
